

我站在那里想了想，说：“嗯，有可能！不管怎么样，我们可不希望您要离开学校哟！”老师看着我，停了一下，接着说：“一切都有可能哟！”中文老师真的是个打太极的高手，好会吊人的胃口，我都没有听明白他的话到底是什么意思。聊了十几分钟，我也没有问出什么结果，最后只好失望地离开了中文老师办公室。

我觉得自己很幸运，因为我可以在国际学校上学。我和同学们从世界上不同的国家和地区来。我们学校在校学生的国籍数一共有50多个呢。

还有，我们的老师也是从世界各地来的，虽然大多数都是英国人。我觉得他们都是最好的老师，他们每天教我们很多知识，还教我们做人的道理。

读国际学校唯一不好的地方是经常有同学要离开班集体。很多时候是因为他们的父母要去另外一个国家或地区工作，他们必须跟着爸爸妈妈走，转学去别处。每当有同学离开的时候，我们都会觉得很不开心。比如去年我最好的朋友就离开我回到伦敦去上学了，因为他的爸爸被公司派去伦敦工作。我真舍不得他走，因为这几年来，我们两个人整天在一起学习，在一起打橄榄球，在一起做很多的事。幸运的是现在有互联网，我们可以很容易地通过社交媒体保持联系。我可以随时知道他过得怎么样，有没有什么新鲜的事发生。

不仅常有同学离开学校去别处学习，老师也不例外，也常有老师离开学校去别处工作。每年过了圣诞节都有一些老师要离开学校，去别的国家或地区的学校工作。他们有的是为自身的职业考虑，有的是因为爱人工作调动，有的是为孩子的学习考虑，还有的只是想去不同的国家生活一段时间。

我们经常招聘的季节去学校的网站查看招聘广告，看看学校需要招聘什么科目的老师。我们会根据这些信息猜有可能是哪些老师要离开学校，去别的地方工作。昨天晚上，我们班一个同学看到学校网站上有了今年新的招聘广告。他马上给班上每一个同学发了同一条消息。我们觉得有点儿奇怪，因为一般情况下我们都不会这么晚的时候还发信息给同学。

他告诉我说，信不信由你，广告上说我们学校需要找一位中文老师。我们都不敢相信，因为我们没有听说哪个中文老师要离开学校，

用英文读一读

English Version

I feel very lucky because I can study at an international school. My classmates and I come from different countries and regions around the world. There are more than 50 nationalities in our school.

Our teachers are from all over the world, although most of them are British. I think they are the best teachers. They teach us a lot of knowledge every day, and they also teach us lessons about life.

However, the only downside in studying at the international school is that we often have to part with our classmates. Because their parents must go to work in another country or region, the students must follow Mum and Dad and transfer to other places. Whenever a classmate leaves, we feel unhappy. For example, my best friend left to go to London last year because his father was sent there for work. I couldn't bear to see him go because over the past few years we had been studying together, playing football together, and doing many things. Fortunately, there is the internet now, so we can easily keep in touch through social media. I can always know how he is doing and whether something new is happening with him.

Not only do students often leave school to study elsewhere, but teachers are no exception and also often leave school to work elsewhere. Every year after Christmas, there are always teachers who leave school to work in schools in other countries or regions. Some of them might have their own career considerations, some leave because their spouses change jobs, others leave to find a better learning environment for their kids, and still others just want to live in a different country for a while.

Therefore, we often browse the school website during the recruiting season to view job postings and see what kind of teachers need to be recruited for the school. Based on this information, we can guess which teachers are going to leave the school to work elsewhere. Last night, one of my classmates saw this year's new job posting on the school website. He immediately sent a message to every student in our class. We felt kind of strange because usually we don't send messages to our classmates late at night.

He told us that, believe it or not, the job posting said that our school was looking for a Chinese teacher. We couldn't believe it because we hadn't heard of
